

Malaysia Muslim Friendly Tour Programmes

5 days 4 nights and 6 days 5 nights
Product proposal for Islamic Tourism Centre

Prepared 29 September 2026 | Private ground arrangements | No prices included

We propose two itineraries combining Kuala Lumpur landmarks, Melaka heritage, Putrajaya architecture and, in the longer programme, Shah Alam Islamic arts. Both provide planned prayer access, nominated accommodation and controlled meal arrangements. The programmes are suitable for Muslim families and private groups; other guests are welcome under the same service arrangements.

Programme	Route and overnight stays	Meals
JA MF 05 5 days 4 nights	KLIA > Kuala Lumpur 2 nights > Melaka 1 night > Putrajaya 1 night > KLIA	4 breakfasts 3 lunches 4 dinners
JA MF 06 6 days 5 nights	KLIA > Kuala Lumpur 3 nights, including a Shah Alam day trip > Melaka 1 night > Putrajaya 1 night > KLIA	5 breakfasts 4 lunches 5 dinners

Proposed accommodation

Location	Property	Official directory listing
Kuala Lumpur	Perdana Kuala Lumpur City Centre	4 star MFAR Platinum [2]
Melaka Alor Gajah	PARKROYAL A'Famosa Melaka Resort	5 star MFAR Gold [3]
Putrajaya	Zenith Hotel Putrajaya	5 star MFAR Gold [3]

These are proposed properties, not confirmed reservations. Directory inclusion is a shortlist check; JA must obtain current recognition evidence and the exact food outlet or kitchen certificate for the travel dates. The Melaka resort is in Alor Gajah, approximately 45-75 minutes from the historic city depending on traffic. Hotel star ratings and MFAR recognition levels are different classifications.

Recognition scope: The company recognition and any itinerary approval must be stated exactly as issued by ITC. This proposal does not describe either itinerary as separately certified or approved by ITC. Hotel MFAR recognition does not certify every outlet or guarantee an entirely alcohol-free property.

APPLIES TO BOTH PROGRAMMES

Service delivery standard

Official framework

The ITC travel operating business guideline linked from its current website is Revision 00, dated 6 February 2024. Sections 2 and 4 address valid operating credentials, an MFAR representative, MFTG participation, suitable transport including women-only or gender-separated arrangements, appropriate attractions, prayer access and valid Malaysian halal certification. It excludes gambling, non-halal production or sales visits, prohibited entertainment and non-Islamic worship sites. It also specifies worship equipment, Muslim staff prayer access and a contamination response procedure. [1]

Hotel and room instructions

JA will request clean prayer space in each room, a checked qibla indicator, prayer mats, water-based toilet cleansing, and a confirmed communal prayer and ablution location. Allocate twin, double or family rooms to the approved rooming list; do not pair unrelated guests without their consent. Remove alcoholic minibar contents and avoid beverage packages containing alcohol. Confirm accessible rooms and step-free routes when requested. Pool, spa and bar activities are not included; privacy arrangements for any requested leisure facility require separate written confirmation.

Guide and driver assignment

Assign a named guide with valid MOTAC and MFTG credentials for all scheduled tours and transfers. Confirm Mandarin or English ability before accepting the booking; a language assistant does not replace the MFTG. Supply a modest-dress briefing, meal roster, daily prayer sheet, alternatives and an operations contact. Guide religion alone is not a credential. Select a licensed, briefed driver; a Muslim driver alone does not replace a qualified guide. [1, 4]

Vehicle planning

Guests	Suggested starting point	Capacity check
2-3	7-seat MPV	Allow seats for the driver and guide, plus actual luggage.
4-7	10-14-seat touring van	Confirm usable passenger seats, luggage and desired separation.
8-15	18-25-seat mini coach	Confirm luggage hold, restraints and comfortable access.
16 or more	Suitable touring coach	Allocate only within licensed capacity and agreed seating plan.

Vehicle size is a planning suggestion, not a capacity guarantee. The transport order must confirm applicable permits, driver documents, insurance, inspection and safety equipment. Provide a clean, smoke-free cabin, drinking water and scheduled comfort stops. Confirm women-only vehicle or separated seating requests before quotation; respect family seating preferences.

Duty plan: allow about 9-10 hours for city touring and up to 11 hours for the Melaka transfer day, including planned stops. Confirm driver breaks and any additional staffing with the supplier. Prayer time is part of the contracted itinerary and must not be removed to fit an underquoted vehicle allowance.

08:00-10:30	Check out and depart Kuala Lumpur. Allow 2.5-3 hours to Ayer Keroh, including one 15-20-minute comfort stop; traffic may require an earlier departure.
10:30-11:30	Short guided walk at Melaka Botanical Garden, approximately 30-45 minutes, subject to weather and access. Transfer locally to the lunch venue.
11:30-13:45	Prebooked Malaysian lunch at the nominated certified kitchen or restaurant in Hotel Seri Malaysia Melaka. Rest, ablution and Zohor in its confirmed prayer space after the prayer time begins. [3, 8]

Day specific alternatives

The museum operator publishes Monday closure. On a Monday, replace the palace museum with an approximately 45-minute guided cultural walk in Kampung Morten, subject to local access. If the river cruise is suspended, use a land-based heritage activity and resolve any ticket difference under the booking terms. [10]

If the lunch venue prayer room is unavailable, pre-arrange Masjid Al-Azim and recalculate the transfer. If Masjid Selat is inaccessible, use the confirmed facilities at Masjid Kampung Hulu before leaving the city. On a Friday, use a mosque confirmed to host Jumuah and shorten sightseeing. If late, remove the garden walk or a leisure stop first; preserve prayer and the resort transfer buffer.

JA MF 05 | DAYS 4 AND 5

Programme A Putrajaya and departure

Day 4 Putrajaya architecture and lake

After a resort breakfast, continue north to Putrajaya. The route finishes close to the airport and includes lakeside civic architecture, the Pink Mosque and a daytime sightseeing cruise.

Planning window	Programme and transfer allowance
09:00-11:00	Check out from the Alor Gajah resort. Allow approximately 1.5-2 hours to Putrajaya, plus any necessary comfort or prayer stop.
11:00-12:00	Putra Mosque visit and Putra Square, approximately 45-60 minutes in total. Observe the mosque's visitor and dress rules; the sightseeing visit is separate from worship.
12:00-14:15	Lunch at Tong Yuen in Zenith Hotel Putrajaya, followed by Zohor in its confirmed prayer space. Leave luggage with the hotel; room access follows the confirmed check-in time.
14:15-16:00	Exterior photographs of Perdana Putra and Putra Bridge, then a daytime Cruise Tasik Putrajaya sightseeing departure. Allow 60-75 minutes for boarding and the approximately 30-45-minute booked sailing. [12]
16:00-17:30	Transfer locally to Tuanku Mizan Zainal Abidin Mosque for Asar and a short visit, then complete hotel check-in. Local driving legs generally allow 10-20 minutes each.
Evening	Dinner at Zenith's nominated certified food outlet, with no alcohol service to the group. Maghrib and Isyak at the hotel; quiet evening at leisure.

Meals: breakfast, lunch, dinner. Overnight: Zenith Hotel Putrajaya. A scheduled cruise must fit between prayer breaks; no sunset or dinner cruise is included. If sailing is suspended, use a lakeside and bridge tour and apply the agreed ticket substitution terms.

Day 5 Putrajaya to KLIA

Subuh and breakfast at the hotel, then check out according to the flight. Allow approximately 45-60 minutes to the booked KLIA terminal, plus traffic contingency. JA plans arrival at the terminal at least three hours before an international flight, subject to the airline's stricter instructions.

The MFTG assists with the airport handover and identifies prayer facilities before and after security where accessible. For a very early flight, pre-arrange breakfast packaging, Subuh timing and driver duty; for an evening flight, add any lunch, day room or extra vehicle time only through the confirmed booking.

Meals: breakfast only. Overnight: none. Total programme meals: 4 breakfasts, 3 lunches and 4 dinners.

JA MF 06 | DAY 3 | RETURN TO THE SAME KUALA LUMPUR HOTEL

Programme B Shah Alam day trip

The additional day explores Selangor's Islamic art and architecture without a long intercity journey. The complex presents calligraphy and decorative arts; the Blue Mosque introduces local mosque architecture. The garden walk provides a gentle outdoor break. [14]

Planning window	Programme and transfer allowance
08:30-09:45	Depart Perdana KLCC for Shah Alam. Allow approximately 45-75 minutes depending on traffic.
09:45-10:45	Pre-arranged visit to the Selangor International Islamic Arts Complex. Allow approximately 60 minutes for its available exhibition and calligraphy interpretation. Any hands-on workshop requires separate confirmation.
10:45-11:45	Local transfer of approximately 5-15 minutes to Sultan Salahuddin Abdul Aziz Shah Mosque, known as the Blue Mosque. Guided architecture visit and orientation for approximately 45 minutes, subject to access.
12:00-14:00	Lunch at Tung Yuen Chinese Restaurant in Mardhiyyah Hotel & Suites, after its certificate check. Provide Zohor at the Blue Mosque or the confirmed hotel prayer space, with a local transfer if required. [7]
14:15-15:00	Gentle walk at Shah Alam Lake Gardens for approximately 30-45 minutes. Adapt the distance for children, older guests or mobility needs.
15:00-16:30	Return to Kuala Lumpur, allowing 45-90 minutes. Arrange Asar at the Kuala Lumpur hotel after its time begins. If traffic threatens the prayer window, stop at the prechecked Mardhiyyah prayer space before departure or a prechecked en-route facility.
Late afternoon	Rest at the hotel. Optional personal leisure remains within the booked vehicle and guide arrangement; no unvetted food tasting or entertainment is added.
Evening	Dinner at the approved Perdana KLCC outlet. Maghrib and Isyak at the hotel. Overnight at Perdana Kuala Lumpur City Centre.

Menu direction

Propose a halal Chinese set lunch with soup, steamed fish or chicken, vegetables, rice and fruit. Confirm the exact menu, allergy handling and certificate scope with Tung Yuen before booking; the restaurant's stated halal positioning is not a substitute for a current certificate. Dinner can use a different Malaysian or international menu at the Kuala Lumpur hotel.

TEL: 603 6270 0233 / 603 6270 0833 Hotline / Whatapps : 019 667 1556

Access and weather adjustments

Confirm the arts complex's opening and group appointment before selling a dated departure. If it cannot receive the group, extend the mosque interpretation and use a prebooked indoor cultural session at Mardhiyyah, or rearrange the day with guest agreement. In heavy rain, replace the garden walk with a confirmed indoor activity or hotel rest.

On Friday, preserve a mosque arrival and congregation block of roughly 12:00-14:30, refined to the local timetable and crowd conditions. Use early lunch or confirmed late service, and reduce sightseeing. Ensure a clear meeting point and suitable arrangements for anyone not joining the congregation.

OPERATING INSTRUCTIONS FOR BOTH PROGRAMMES

Prayer access and seasonal adjustments

The MFTG prepares a daily local prayer sheet from JAKIM e-Solat. Allow 30-45 minutes per daytime stop, enlarged for ablution, walking and queues. These are operational allowances, not religious rules. [5]

Tour day 5D / 6D	Zohor plan	Asar plan
1 / 1 Arrival	Airport or hotel according to arrival time	Hotel; airport if the arrival schedule requires
2 / 2 Kuala Lumpur	Perdana KLCC prayer space	Asy-Syakirin Mosque; hotel as backup
- / 3 Shah Alam	Blue Mosque; Mardhiyyah as backup	Perdana KLCC after return; prechecked stop if delayed
3 / 4 Melaka	Hotel Seri Malaysia Melaka; Masjid Al-Azim as backup	Masjid Selat; Masjid Kampung Hulu as backup
4 / 5 Putrajaya	Zenith prayer space; Putra Mosque as backup	Tuanke Mizan Mosque; Zenith as backup
5 / 6 Departure	Hotel or airport if within the ground programme	Airport if within the ground programme

Provide Subuh, Maghrib and Isyak at each overnight hotel or a confirmed nearby mosque. Insert en-route stops as needed. Check male and female access, opening times, ablution, water-cleansing toilets and capacity at primary and backup locations before arrival.

Friday and individual practice

Protect approximately 12:00-14:30 on Friday, then refine it to the mosque schedule. A hotel surau is not automatically a Jum'ah venue. Arrange a confirmed mosque for participating guests, suitable space for others, and prayer access for Muslim staff. Move meals and sightseeing. Do not assume that travel removes a guest's Friday prayer requirements.

The programme accommodates all five prayers separately by default. Do not make it dependent on combining or shortening prayers. A guest's use of jamak or qasar follows their own practice and qualified religious advice; the guide facilitates the resulting logistics.

Ramadan departures

For Ramadan, confirm sahur before Subuh, timely iftar with water and dates, and access for guests choosing Tarawih after Isyak. Reach the iftar venue early; reduce exposed walking and protect rest. Respect guests who are not fasting. Confirm early kitchen service, staffing and revised meals in writing. The listed standard meal counts apply outside Ramadan.

Worship kit and disruptions

Prepare clean prayer mats, water spray bottles, women's telekung, men's sarong and a Quran or translation in a clean carrying kit. [1] For a delay or closure, use the checked backup first and cut leisure time. If food evidence fails, change the meal venue. If the guide is unavailable, arrange another credentialed MFTG before operating.

PROPOSED VENUES | CONFIRM CERTIFICATE SCOPE BEFORE USE

Dining plan and supplier control

Use JAKIM's Malaysian Halal Directory to check the actual operating company, branch address, kitchen or outlet scope and validity against the travel dates. Save a dated result and the certificate copy. A Muslim owner, a pork-free sign, a hotel star rating or a brand-wide claim does not complete this check. [6]

Venue	Planned use	Evidence to obtain
10Binjai Perdana KLCC	KL breakfasts and scheduled KL lunches or dinners. Alternate Malaysian and international menus.	Exact kitchen/outlet SPHM, validity, menus and any private dining arrangement. Venue verified on the hotel site. [15]
Hotel Seri Malaysia Melaka Ayer Keroh	Melaka-day lunch and the nominated midday prayer stop. Book the actual certified food outlet by name.	MFAR listing is supporting evidence only. Obtain the covered outlet name, SPHM, group lunch acceptance and surau access. [3, 8]
Spice Brasserie PARKROYAL A'Famosa	Melaka overnight dinner and following breakfast. Use a prebooked set menu unless the chosen date has a suitable buffet.	The hotel states halal certification for its buffet. Confirm the actual kitchen and the booked meal format are within current certificate scope. [16]
Tong Yuen and The Dining Room Zenith Putrajaya	Putrajaya lunch, dinner and breakfast through separately verified outlets.	Confirm each used outlet/kitchen and its certificate coverage; hotel MFAR listing alone is insufficient. Do not book the club lounge or bar package. [3, 17]
Tung Yuen Mardhiyyah Hotel & Suites	Shah Alam lunch in the 6-day itinerary.	Current outlet SPHM, Chinese set menu, lunch service time and hotel prayer access. Mardhiyyah is listed MFAR Platinum. [2, 7]

Meal delivery instructions

Reserve meals with no alcohol service to the group. Confirm ingredients, sauces, cooking wine exclusions, storage, serving utensils and delivery arrangements within the certified operation. The chef must confirm allergy and dietary requests; halal certification does not itself establish allergy safety. Do not add street snacks, tastings or food gifts without product or venue checks.

For a restaurant closure, select a preverified certified outlet in the same area or a meal from the approved hotel kitchen with suitable transport and safe holding arrangements. Recalculate prayer and driving time before making the change. Keep at least one practical backup for each destination.

Accommodation boundary

PARKROYAL and Zenith may have alcohol-serving or shared leisure areas elsewhere on the property. This programme will use meal outlets only after verification and will not visit those areas. If a group requires a wholly alcohol-free property or gender-exclusive leisure facilities, inspect a suitable replacement before confirmation; do not imply these features follow automatically from MFAR Gold. [3, 16, 17]

The 6-day programme also includes the confirmed Islamic arts complex visit. Any workshop is separately specified.
